

Alexandru Gana

C U R I C U L U M V I T A E

I am a vigorous, ambitious person who has developed a responsible and mature approach to any task that I undertake, or any situation that I am presented with. As a front-end developer I have experience with structuring, developing and testing web applications. I am hardworking, honest individual. I am a good timekeeper, always willing to learn and develop new skills. I am a friendly, polite and have a good taste of humor. In my previous role as a React Developer I demonstrated the ability to work under intense pressure, develop products and services for customers, handle customers complains and solve problematic situations as they arose.
